Booklets and Trade Books

A Book of Uncommon Prayers

Prayers to the deities of Asatru. Not bent-knee supplication, but words for your deepest thoughts. Additional affirmation for safe travel, bearing a weapon, blessing of meals, healing rites, and the Nine Virtues. Handy pocket-size.

Living Asatru

A complete guide to bringing Asatru into your daily life. You'll find the hammersign, greetings to the Sun and Moon, and offerings to the land spirits. Other sections describe how to brew mead and use it in a sumbel. Information on setting up a place for the Gods, plus detailed descriptions of the lesser-known holy days of our religion. Full-size, with plastic spiral binding. 54 pages.

Portraits from the Past

Twelve saga characters, related deities and runes; a collection of story, myth, and symbol.

A Runic Inspiration

Each of the 24 runes is presented, with a key concept, affirmation, and poem. Format is perfect for daily rune meditations. (Plastic spiral binding.)

Wisdom from the Edda

Distilled insights and musing from the world of the Norsemen.

Thunder from the North

the Way of the Teutonic Warrior

Exploration of Western martial philosophy and techniques for today's warrior. Includes how to determine your "warrior type." Northern philosophy of combat, meditation for warriors, and warrior runes. 24 pages

What is Asatru

An introductory handbook featuring Asatru's "frequently asked questions." Ideal for literature tables at lectures, workshops, and kindred meetings. Bulk prices available.

Vinnish Word Hoard

Compilation of the lexicon unique to Asatruar in Vinland. Includes hundreds of words and their definitions. This volume helps establish our "tribal language." 8 1/2 x 11 inches

Metagenetics, Folkism & Beyond

Newest book from Stephen McNallen - revised and updated from articles appearing over a span of years in Runestone magazine. An essential resource for all interested in the Folkish viewpoint. Also includes a suggested reading list. 25 pages.

The Twelve Days of Yule

by Stephen McNallen

An inspiring guide to daily spiritual observations for each of the twelve days of Yuletide, complete with affirmations, virtues to practice each day, and more! Includes a glossary of terms. More than a booklet - this is a full-color, spiral-bound guide printed on heavy parchment for standing upright on your desk or window sill.

The One-Eyed God

Odin and the (Indo-)Germanic Mannerbunde

by Kris Kershaw

An exhaustive study of Odin's role as leader of the war band, drawing comparisons from across the Indo-European world. Discusses Odin's chosen warriors, the Wild Hunt, Odinic analogs in other Indo-European cultures, warrior-brahmins, symbolism of wolves and dogs, Odin's single eye. 306 pages, extensive bibliography, index - a must for those dedicated to Odin! Published by *Journal of Indo-European Studies* (19% off list price) \$39.00

Essays on Germanic Religion

by Edgar C. Polome

Edgar Polome was a renowned and influential scholar of Germanic Studies at the University of Texas, Austin. Four of his essays make up this volume: Indo-European Component in Germanic Religion, Germanic Religion: An Overview, Divine Names in Indo-European, and Some Comments on Voluspa, Stanzas 17-18. 144 pages, including an outstanding bibliography. Published by *Journal of Indo-European Studies* \$30.00

Germanic Mythology

by Jakob Grimm, translation: V. Bird

The only available English translation of Jakob Grimm's compendium of Germanic lore! Covers Gods and Goddesses, heroes, wise women, various mythological beings, herbalism, folklore, and cosmology. Despite the modifications of modern scholarship, this remains a classic source of information. 149 pages

The Indo-Europeans

by Professor Jean Haudry

Professor Haudry of the University of Lyon presents a scholarly study of the Indo-Europeans. Chapters on world view, the community, religion, institutions, war, production and reproduction, and the geographical origin of the Indo-Europeans. Examples from many different Indo-European cultures. Bibliography and index, 165 pages. \$20.00

Magic of the Norse Goddesses

For those seeking guidance from the Goddesses, this book provides powerful visualizations and other adventures with the Holy Powers. Alice Karlsdottir also includes plenty of scholarly material and references to the Goddesses in early Germanic lore. A must-read for anyone seeking knowledge about the Goddesses. \$20.00

On Being a Pagan,

by Alain de Benoist

In this book, the founder of the profoundly pagan "French New Right" argues that Christianity has failed Europe, and that only a re-linking with the eternal truths of our pre-Christian heritage can rescue us from the guilt, fear, and rootless nihilism of the present age. This book is highly intelligent, compelling, and designed for men and women living real lives in the 21st century. \$20.00

CDs & Miscellaneous

Flyers

Why Asatru?

Our most successful introductory flyer. Tri-fold design is perfect for literature racks in libraries. Includes space for your kindred's stamp or label.

Native American "Wannabees"

shows similarities between American Indian beliefs and those of Asatru by comparing specific attitudes and practices. Urges European Americans to investigate their own spiritual heritage before turning to that of the American Indians, both out of duty to their own ancestors and out of respect for Indian culture.
