Honor is better than dishonor.

*Let us be honorable!*

Freedom is better than slavery.

*Let us be free!*

Kinship is better than loneliness.

**Reading**

[Here follows a reading, from the Eddas.]

**Blot**

In the heart of each of us is the best. As in one, so in many, the wise, the vigilant and mighty.

Defying the foeman's threat,
Longer than life shall last.

*The Folk dithrann.*

Within our very blood,
Withstanding fire and flood.

*The Folk dithrann.*

Honoring kith and kin and kin on kin,
Guarding this, our chosen land.

*The Folk dithrann.*

High Gods we praise with voice and hand,
Remaining true to land and land.

*The Folk dithrann.*

We pray our Folk shall wear the might,
Nor lie beneath an alien sky.

*The Folk dithrann.*

A mighty people ever free,
Both strong and bold, and free.

*The Folk dithrann.*

Let the shining Sun ever shine
Of Midgard! Let our people know of our greatness! Let the ramparts, tower and kraall
land that the Gods may repay our faith this spring, but rather a people ever true in the loom of Fate. To this we bind our threefold strength.

The Gods, and they in us. By our ancestors unborn, so be it done!

*So be it done.*
READING
[Here follows a reading from the lore of our people known as the Eddas.]

BLOT
In the heart of each of us do the Holy Ones dwell, as we strive for the best. As in one, so in many, for we are a host, a people, a Folk vigilant and mighty.

Defying the foeman’s blast
Longer than life shall last -
\textit{The Folk doth abide!}

Within our very blood
Withstanding fire and flood -
\textit{The Folk doth abide!}

Honoring kith and kin and clan
Guarding this, our chosen land -
\textit{The Folk doth abide!}

High Gods we praise with every breath
Remaining true to kin to death -
\textit{The Folk doth abide!}

We pray our Folk shall never kneel
Nor lie beneath an alien heel -
\textit{The Folk doth abide!}

A mighty people e’er to be
Both strong and bold, and brave and free!
\textit{The Folk doth abide!}

Let the shining Sun ever find our Folk as it looks over the affairs of Midgard! Let our people be plentiful in the world, that all humankind know of our greatness! Let the tongue of our Folk be always heard in the land that the Gods may rejoice in us! Let us not be an autumn without a spring, but rather a people ever-born and ever new, with mighty deeds on the loom of Fate. To this we bend our hearts and wits, that we may live in the Gods, and they in us. By our ancestors, and by our descendants yet unborn, so be it done!

\textit{So be it done!}
By all the heroes of ancient time! By Erik the Red and Herman of the Cherusci and Alarik the Goth! By all the other stalwarts who followed great Fate for our people and Gods, may we prosper and thrive victorious! By the heroes of our day as well, may we prevail and be strong!

May we be strong!

**SONG**

[As we call to Odin by his ancient names, a basket for offerings will be passed.]

**Herjafather Herjafather Sigfather Oth-in**

**Herjafather Herjafather Sigfather Oth-in**

**Herjafather Herjafather Herjafather Sig-tyr**

**Herjafather Herjafather Herjafather Sig-tyr!**

[Three times; last verse ends with a drawn-out "Oth-innnnn!"

[From this point on, exact wording may vary depending on the inspiration of the gothi.]

**Hammersign**

In the sign of the Hammer, and in the holy names of Odin, Baldur, Frey, and Thor, I hallow the horg to Thor, and bless the place of blot! May all that is unholy flee before the might of Mjollir! May our minds, too, be hallowed a whole, given to the good of the Gods and the Folk. As Heimdal guards Bifrost bridge, may this place be warded from all ill!

**Invocation**

Thor! We hear you in the might of the crashing thinder, and we see your works in the growing fields which sustain us. You protect Midgard with your great hammer Mjollir, and grant fertility to the earth and to the new wife. With your hammer, your gauntlets, and your belt of strength, you have been our loyal friend and our defender against those who would destroy us with meekness and the way of the slave. Hear us, red-bearded friend, as we call you by your age-old name...

**Page 4**
Thunor!
Son of Odin and of Jord!
Smiter of Hrungrir!
Foe of the Midgard Serpent!
Slayer of Giants!
Defender of Asgard and Midgard!
Wielder of Mjölnir!
Father of Magni and Modi and Thrud
Helper of Men!

GIVING
Thor, we offer you blot! Not of blood, but the gifts of our might, our main, our troth. May it aid us, Gods and humankind alike, in our fight against those who would war against Asgard, or seek to bring grey slavery to Midgard. Thor, accept our gifts, not as from slaves - for we have no master! - nor as something given in fear and trembling, but rather as a sign of our kinship!

TAKING
Thor, you have take our gifts, as seen by the mead in this horn. Pour now your blessing into it, making it a true mead of might, that we may grow closer to you and to each other by sharing it among us.

BLESSING OF THE FOLK
[Gothi circles the assembled folk and sprinkles them with the holy mead.]

I give you the blessing of Thor!

CLOSING
The blot is done. May it cause our love of the Gods and our ancestors to grow. May we struggle with all the greater will to live free, with courage and trust in our strength, until we be gathered to the Gods!

Thor, as you wend your way to Asgard, take with you our gifts, and remember your brothers and sisters here in Midgard.

Now are Har's sayings said in Har's hall, helpful to the sons of men, but of no help to etin's sons. Hail, the one who speaks them! Hail, the one who knows them! Gain, the one who gets them! Hail, those who hear them!
